On Tuesday morning, the Freidest pro-ceeded down the river to Middletown, when he received the congratulations of the cit-zens, and was met by deputations from hewich, New London, and Providence in with upon him to their respective town. At o'clock he arrived at Sayurook, and in a thet time landed at Lyme, and proceeded in put

time landed at Lyme, and process as a coaches for Norwich.

The Hartford Time says that, while the President was at his rooms, in that town he received various presents from our citizen. mong them were his name and title ray reatly written in German Text, by Mr. Tet. Vriting Master, - a pair of silver moust ed Rifle Pistols, presented by Mr. Adia Ray gles, the Manufacturers of Strafford and at elegant copy, by Messra, Adrus and Isda, elegant copy, by Messra Adrus and Jadd, at their Stereotype Edition of the quarts Bill elegantly bound in red morocco, and gill, is a fine specimen of the perfection to will the art of Bookmaking has arrived. On the front cover is the following sentence—and drew Jackson, President of the United blue — presented by Andrus and Judd Hursman — and on the reverse side;—"Rith. Conn."—and on the reverse side;—Ryta ousness Exalteth a Nation."—The fellows

correspondence, which has been politely for hished us, took place on the occasion. The publishers of this sacred volume to leave to present it to the President of thet. nited States, -imploring its author to the down upon him and our beloved country, the spirit of piety towards God, and of judge and benevolense towards man, which ch lone ensure both to rulers and people ties vine protection and blasing.
Your Obt. Servanta

ANDRUS & JUDD. Hartford, June 17th, 1803.

Hartford June 17th, 1831

GENTLEMEN: I return you my thanks for the sand volume you have presented to me; and forte personal kindness you have expressed:

for our beloved country, and I supplicate in vidence to incline the hearts of all oards zens to keep its holy law—to realize thems timable blessings we enjoy-and to become distinguished for genuine piety among the tions of the arth as they are for the highly yours, national and political, which have

vouchsafed to them.

For myself, Gentlemen, I humbly rely on the blessing of God to guide me in a performance of the high duties which ountrymen have assigned to me-comme ing all with all their requests to his care not doubting, as he led our Fathers to sequi that Independence we enjoy, he will leden sons in his own good way to defend and mis-

tain it., I am very repectfuly, Your Ob't. Servant. ANDREW JACKSON. Messes. Andrus and Judd.

THE PRESIDENT'S JOURNEY. The President was landed at Newports Wednesday, about 12 o'clock. He left & London at G in the morning in the steam be Boston, and stopped at Stonington about a hour. Off Newport harbour the Boston we met by a steamboat from New Bedford, ve a large party of ladies and gentlemes, is were received on board her, and introdusto the President.

During his stay at Newport, he visited Is Adams, and we learn says the Herald, 12 highly gratified with the appearance of a extensive fortifications there going forms under the superintendence of Col. Tottes.
The Boston Gazette, of Friday norms

. The President will make his entrancia Boston this afternoon. A large number of citizens left town yesterday for the personal seeing the President at Pawtucket. Be vil with a most flattering reception it in quarter, and no class will be more eager " do him reverence' than his old political en-mies, who, though they have wrong beau possess warm and generous hearts, and and bundance of good old wine.

From the Courier of Saturday.

The President's Arrival.—The President's Arrival.—The President's Arrival.—The President's arrived yesterday afternoon. He was not the Roxbury line by the members of the government, and welcomed by his Hoscuth Mayor, in a short but pertinent address took a seat by the side of the Mayor in a pale streets to the lodgings provided for the horses, and was escorted through the pale streets to the lodgings provided for the horses, and was escorted through the pale streets to the lodgings provided for the horses, and on horseback, was unexpected and the cavalcade of citizens, both interest through with special streets with the streets of the sidewalks of of the s

ed to him from the multitude below. nt of THE CHOLERA.

THE CHOLERA.

The Wheeling Times contains the Remotent the 12th to the 18th inst. inclusive. On the 13th, 10 cases and one death, or the 13th, 2 cases and 3 deaths; on the 15th, 2 cases and 4 deaths; on the 18th, 4 cases and 4 deaths.

NEW ORLEANS.
The cholera has been prevailing at New rleans for some time. The papers do not re any particular account of its ravages; but

The business of cleansing and purifying has been well begun here; and an untiring perseyerance in that good work, on the part of householders, as well as by authority, will, we trust, continue to be attended with good effects. - Patriot.

DOCKING OF THE DELAWARE.

Nonfolk, Va. June 20. The docking of the Delaware 74 took place agreeably to previous notice, on Monday morning in the new Dry Dock at Gosport. The arrangements previously made were carof friends, as it has done in other cities, ried into effect with the utmost precision—no accident nor oversight caused a moment's de-At Cincinnati, during the week ending on lay, the huge floating castle was accurately adjusted in the centre of the Dock, presenting a grand spectacle to the thousands of spectators who surrounded her. Presently The population is about one thousand. the steem engine for pumping the water from the population is about one thousand. the dock was set in motion, and the noble kee were upwards of thirty deaths by Cho-ship settled down till her keel rested on the ship settled down till her keel rested on the blocks. Then commenced the work of applying props to either side, to preserve her level; and successive rows of these were af-fixed as the water was drawn off, until at last tended to place her, and fixed with as much accuracy as if she had been lifted and placed there by a giant hand. The operation con-sumed the remainder of the day, and yester-

day the Dock was literally dry.
Thus has this stupendous work been completed, and the anxious and interesting operation of applying it to its intended purpose rket. A few barrels of flour arrived the happily accomplished under the direction and er day and were sold off immediately at superintendence of its scientific and skillul sper day and were some and the wonder working of per barrel. Corn Meal find sell for \$1.25 Engineer, Col. Baldwin, to whom too much its Holy Spirit. Who could contemplate such bushel, and would sell for that price accurately a summation of so arduous, responsible and directly a scene without strong emotion? And who if the people of the country would afford summation of so arduous, responsible and directly could turn from it but with a grateful tribute ficult an undertaking. In viewing the work The cholera has not yet made its appearant as it now appears, in its perfect state, the mannings us and such measures have been mind is excited to admiration by its magnitude and beauty; and practical evidence which it presents of its great utility, will convince u-ny one who has an idea of the expense of heaving down, a seventy four, that however PROGRESS OF THE CHOLERA.

NASHVILLE.—On the 1-tin, there was one great the cost of this work may be, it is econotic the by cholera in Nashville; and five deaths the Penitentiary, in the neighbourhood.

sent to witness this novel and interesting scene, of whom a large proportion were la-dies, from Norfolk, Portsmouth and the neigh the south side of Ohio, about one mile be withis city.—During the last twenty four garlanty as well asscience of Colonel Bald with cases have occurred.

We must do justice to the gallantry as well asscience of Colonel Bald win on this occasion: he had set apart the second story of the Engine house, which commands a full and near view of the dock in front, and erected galleries, covered with sails and decorated with evergreens, on each side of the dock, for the exclusive accommodation

of the ladies.

The doors of the heapitable mansion of Com

with the ship in it, as we said before, which and dry," is much better worth seeing that the ship passing into the dock, or after she was docked, previous to pumping out the water.

Hird day of September next, for the purpose of receiving the returns of the Assessors under the act of December session 1832, chapter the ship passing into the dock, or after she was docked, previous to pumping out the water.

Captain HENRY E. BALLARD, appointed to the command of the U. S. ship Delaware ar-

wertaity, may be inferred from the law inferred from the specific of interments for the first ten part of the part of the first ten part of the f

of an Atheist. The interest with which the thirty three. poor Indians listened to the outpourings of the preacher, as he pictured to them the loveliness of the Saviour, and his power to redeem,

June 27. indicated the warmth of devotion that existed a native Wwandot, knelt noon the rough floor of their forest sanctuary, and poured out his whole soul to the Great Spirit who had revealed to them the way of salvation, scarcely a dry eye was to be found in the bouse. It was an indescribable scene. Although an Indian, the effect upon the congregation was elec-

occasion by the young christian chief of the tribes-with thirty of the Indians on their knees, humbly offering up their devotions to not been made known to their fathers-breathing out their fervent aspirations for the conversion of their brothers and sisters, their wives and daughters, who yet bow to Manitto she was left shigh and dry," standing fast of the words, and then the development up to and upright in the position in which it was inof the red men—this was a scene which must be witnessed to be felt and appreciated. A hymn in their own language was then sung, after which these sincere converts knelt again in humble adoration at the throne of grace, and with united hearts called fervently on the name of their Saviour.

Here was an exhibition of pure religionhere might be distinctly seen the footsteps o the Redcemer, and the wonder workings of his Holy Spirit. Who could contemplate such to ilim 'who moves in a mysterious way his wonders to perform!' — Detroit Courier.
